Application Directions for 2010–2011 Directory

DIRECTORY LISTING DEADLINES: (EARLY) MAY 15, 2010: \$200.00 / (LATE) JUNE 1, 2010: \$225.00

When you choose to be listed in the WTPNW Directory, you are joining a professional organization of mental health counselors and psychotherapists. This implies you have met the criteria for licensure by various Licensing Boards and that you are trained in counseling and/or psychotherapy. These criteria include:

A. PhD in psychology or counseling, PsyD, or MD with residency in psychiatry, and hold the appropriate licensure; or are without license but function in private practice or agency setting and are supervised by a licensed mental health professional or psychotherapist; or

B. Master's degree in psychology, mental health counseling, social work, pastoral counseling, or mental health nurse practitioner and hold the appropriate licensure; or

C. Master's degree in the above described disciplines, but without licensure and function in a private practice or agency setting, and are supervised by a licensed mental health professional or psychotherapist.

Being licensed by Boards that certify for ancillary skills other than mental health counseling/psychotherapy does NOT qualify you to be listed in the Directory, although you are encouraged to attend meetings, and have your name on the mailing list to receive the Newsletter. If you possess ancillary skills (in addition to counseling/psychotherapy) and incorporate them into your practice, you may indicate these skills on Line 11 of your application.

By listing your name in this Directory, you agree to abide by the WTPNW Code of Conduct that is part of the By-Laws of this organization and includes these guidelines:

- Client's confidences be kept, except when specific permission is given by the client or when required by law;
- Financial arrangement be agreed upon before payment is due;
- Relationships with clients/former clients never become sexual;
- Practitioners review their work regularly and seek consultation as needed;
- Members regard seriously any client's reports of ethical violation and work to hold practitioners accountable.

Directions for Application

Please write clearly and legibly. Application must be postmarked by May 15, 2010 for the \$200 rate or postmarked by June 1, 2010 for the \$225 rate. This application will be used to build both your print directory page and your web directory page.

FOR REPEAT SUBSCRIBERS: Please review the entire application carefully as there are changes from year to year, especially in the "Areas of Clinical Interest." Where there are no changes, you may simply indicate "same as last year."

FOR NEW SUBSCRIBERS: Please follow the directions exactly. There are space constraints and we cannot accommodate lengthier statements or other categories than those listed.

FOR ALL SUBSCRIBERS: If you wish to participate in the WTPNW listserv, which allows you to post and receive news of groups, office space, workshops, events etc. please include your e-mail on line 4a. It will NOT appear on your Directory page unless you also enter it on Line 4b.

Instructions

Line 1. Name should appear as First, Middle, Last. For those with 2 last names, CIRCLE which letter you want to be alphabetized by; indicate if it is to be hyphenated. After your name, give your Licensure/Certification (you may have more than one), e.g. ACSW, LCSW, LMFT, LPC, PhD (implying PhD in Clinical Psychology: PhD* with follow-up on Line 11 would read "**PhD in..."), etc. Only if you do NOT have licensure should MA, MDiv, MS, MSW etc. appear after your name.

Line 2. Address: Give street, suite number, building number or P.O. Box number. The Post Office will reject mail that does not show a suite number where one exists, so please indicate your suite number if you have one. Mark the box at the end of this line if you would like your Newsletter mailed to an address other than your office; give Newsletter address on the back of the application.

Line 3. City/State: ZIP CODE MUST INCLUDE ALL 9 DIGITS (look it up at www.usps.com). Circle your primary office geographic location by using the following code:

Anything longer will be edited.

Line 12. Areas of clinical interest: Due to format restrictions, your "home page" listing must be confined to six interest areas.
